## KOH-I-NOOR® Drawing Ink

Koh-I-Noor's drawing inks are water-dispersible pigments in a solution of natural resin and are designed for both professional artists and beginners. The quality of these inks is comparable to renowned European brands and they excel in their high pigmentation, brilliance, water-resistance and light permanence. All Koh-I-Noor drawing inks are temperable and suitable for use with a brush or a pen. The inks are produced using a high quality shellac and first class organic and inorganic pigments.

**Non-slip pad for use over HARD FLOORS.**

Rubber Anchor and the improved Rubber Anchor II rug pads are made of natural, dense sponge rubber and are for use on hard surfaces.

Rubber Anchor pads are non-allergenic, won't deteriorate, and won't collect dirt or mildew under normal conditions.

Their smooth surfaces won't show through even the finest rugs or killims.
